

Chart::Base

```
classDiagram
    Chart::Pareto --|> Chart::Base
```

A UML class diagram illustrating inheritance. The base class, Chart::Base, is represented by a white rectangular box at the top. The derived class, Chart::Pareto, is represented by a gray rectangular box at the bottom. A solid blue arrow points vertically from the top of the Chart::Pareto box to the bottom of the Chart::Base box, indicating that Chart::Pareto inherits from Chart::Base.

Chart::Pareto
